The amount for the stay must be calculated based on the arrival and departure dates registered on the reservation form. No discount will be granted for late arrival or early departure for any reason.

For all reservations made within 30 days before the start date of the stay, full payment is required.

In case of cancellation or interruption of the stay for any reason (illness, accident, etc.), the tenant will be required to pay the balance, and the campsite will not be held liable. No refund will be granted.
